SPATC1L Antibody (OT11H6) [Allophycocyanin]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | OT11H6                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | Allophycocyanin                                                                             |
| Purity                      | Immunogen affinity purified                                                                 |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 84221                                                                                       |
| Gene Symbol                 | SPATC1L                                                                                     |
| Species                     | Human, Mouse, Rat, Canine                                                                   |
| Immunogen                   | Full length recombinant protein of human C21orf56 (NP_115637) produced in HEK293T cells.    |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                             |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
