**NBP2-72384R**

FCRLB/FCRY Antibody (OTI5H6) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | OTI5H6                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                          |
|---------------------|--------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                    |
| Gene ID             | 127943                                                                                                                   |
| Gene Symbol         | FCRLB                                                                                                                    |
| Species             | Human, Rat                                                                                                               |
| Immunogen           | Recombinant protein fragment corresponding to amino acids 202-426 of human FCRLB/FCRY (NP_001002901) produced in E.coli. |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
