Mohawk homeobox Antibody (OTI6B12) [Alexa Fluor® 350]

Unit Size 0.1 ml   Concentration Please see the vial label for concentration. If unlisted please contact technical services.   Storage Store at 4C in the dark.   Clonality Monoclonal   Clone OTI6B12   Preservative 0.05% Sodium Azide   Isotype IgG1   Conjugate Alexa Fluor 350   Purity Immunogen affinity purified   Buffer 50mM Sodium Borate   Product Description Fooduct Description   Host Mouse   Gene ID 283078   Gene Symbol MKX   Species Human, Mouse, Rat   Reactivity Notes Please note that this antibody is reactive to Mouse and derived from the same host, Mouse, Mouse- On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB. Please contact Technical Support if you have any questions.   Immunogen Full length recombinant protein of human Mohawk homeobox (NP_775847) produced in E.coli.   Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product on its components. (i) in manufactuing. (ii

Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for
payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.
Product Application Details
Applications Immunohistochemistry, Immunohistochemistry-Paraffin

<b>Recommended Dilutions</b>	Immunohistochemistry, Immunohistochemistry-Paraffin
Application Notes	Optimal dilution of this antibody should be experimentally determined.
