# NBP2-72915G

NDUFB10 Antibody (OTI1H6) [Dyl ight 488]

| NDUFB10 Antibody (OTI1H6) [DyLight 488] |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 0.1 ml  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | OTI1H6  |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG1  |
| Conjugate                               | DyLight 488   |
| Purity                                  | Immunogen affinity purified   |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Host                                    | Mouse   |
| Gene ID                                 | 4716  |
| Gene Symbol                             | NDUFB10   |
| Species                                 | Human   |
| Immunogen                               | Full length recombinant protein of human NDUFB10 (NP_004539) produced in E.coli.            |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details             |   |
| Applications                            | Flow Cytometry, Immunohistochemistry  |
| Recommended Dilutions                   | Flow Cytometry, Immunohistochemistry  |
| Amuliantiam Natan                       | Onting of dilutions of this postile about the could be a consummer and the data masic and   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | Flow Cytometry, Immunohistochemistry                                   |
| Recommended Dilutions              | Flow Cytometry, Immunohistochemistry                                   |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
