NDUFB11 Antibody (OTI9C5) [Biotin]

| Product Information         |                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                     | Store at 4C in the dark.                                                                                          |
| Clonality                   | Monoclonal                                                                                                        |
| Clone                       | OTI9C5                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                |
| Isotype                     | IgG1                                                                                                              |
| Conjugate                   | Biotin                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                       |
| Buffer                      | PBS                                                                                                               |
| Product Description         |                                                                                                                   |
| Host                        | Mouse                                                                                                             |
| Gene ID                     | 54539                                                                                                             |
| Gene Symbol                 | NDUFB11                                                                                                           |
| Species                     | Human                                                                                                             |
| Immunogen                   | Recombinant protein fragment corresponding to amino acids 30-163 of human NDUFB11 (NP_061929) produced in E.coli. |
| Product Application Details |                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                            |
