# NBP2-72941B

Neprilysin/CD10 Antibody (OTI3D11) [Biotin]

| Neprilysin/CDTO Antibody (OTI3DTT) [Blotin] |   |
|---|---|
| Product Information                         |   |
| Unit Size                                   | 0.1 ml  |
| Concentration                               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                     | Store at 4C in the dark.  |
| Clonality                                   | Monoclonal  |
| Clone                                       | OTI3D11   |
| Preservative                                | 0.05% Sodium Azide  |
| Isotype                                     | lgG2a   |
| Conjugate                                   | Biotin  |
| Purity                                      | Immunogen affinity purified   |
| Buffer                                      | PBS   |
| Product Description                         |   |
| Host  | Mouse   |
| Gene ID                                     | 4311  |
| Gene Symbol                                 | MME   |
| Species                                     | Human, Mouse, Rat   |
| Reactivity Notes                            | Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Mouse-On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. |
| Immunogen                                   | Full length recombinant protein of human Neprilysin/CD10 (NP_009218) produced in HEK293T cells.   |
| Product Application Details                 |   |
| Applications                                | Western Blot, Flow Cytometry, Immunohistochemistry  |
| Recommended Dilutions                       | Western Blot, Flow Cytometry, Immunohistochemistry  |
| Application Notes                           | Ontimal dilution of this antibody should be experimentally determined   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | Western Blot, Flow Cytometry, Immunohistochemistry                     |
| Recommended Dilutions              | Western Blot, Flow Cytometry, Immunohistochemistry                     |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
