PMVK/phosphomevalonate kinase Antibody (OTI2F9) [DyLight 405]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | OTI2F9                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | DyLight 405                                                                                 |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                               |
|---------------------|---------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                         |
| Gene ID             | 10654                                                                                                         |
| Gene Symbol         | PMVK                                                                                                          |
| Species             | Human, Rat                                                                                                    |
| Immunogen           | Full length recombinant protein of human PMVK/phosphomevalonate kinase (NP_006547) produced in HEK293T cells. |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunocytochemistry/Immunofluorescence                 |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry/Immunofluorescence                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
