Clonality Monoclonal	
Clone OTI6B11	
Preservative 0.05% Sodium Azide	
Isotype IgG2b	
Conjugate Alexa Fluor 488	
Purity Immunogen affinity purified	
Buffer 50mM Sodium Borate	
Product Description	
Host Mouse	
Gene ID 10055	
Gene Symbol SAE1	
Species Human, Mouse, Rat	
Reactivity NotesPlease note that this antibody is reactive to Mouse and d host, Mouse. Mouse-On-Mouse blocking reagent may be ICC experiments to reduce high background signal. You under catalog numbers PK-2200-NB and MP-2400-NB. F Support if you have any questions.	e needed for IHC and can find these reagents
ImmunogenFull length recombinant protein of human SUMO Activati (NP_005491) produced in HEK293T cells.	ng Enzyme E1 (SAE1)
Notes Alexa Fluor (R) products are provided under an intellectul Life Technologies Corporation. The purchase of this product buyer the non-transferable right to use the purchased proof the product only in research conducted by the buyer (vacademic or for-profit entity). The sale of this product is entitle buyer not using the product or its components, or any the product or its components, in any activity to generate include, but is not limited to use of the product or its commanufacturing; (ii) to provide a service, information, or da payment; (iii) for therapeutic, diagnostic or prophylactic presale, regardless of whether they are resold for use in reon purchasing a license to this product for purposes othe above, contact Life Technologies Corporation, 5791 Van CA 92008 USA or outlicensing@lifetech.com. This conjudemand. Actual recovery may vary from the stated volum volume will be greater than or equal to the unit size state	duct conveys to the oduct and components whether the buyer is an expressly conditioned on y materials made using revenue, which may ponents: (i) in ata in return for urposes; or (iv) for esearch. For information er than as described Allen Way, Carlsbad, gate is made on he of this product. The
Product Application Details	
Applications Western Blot, Immunohistochemistry	
Recommended Dilutions Western Blot, Immunohistochemistry
