TPD52L3/D55 Antibody (OTI8C12) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | OTI8C12                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                          |
| Gene ID             | 89882                                                                                          |
| Gene Symbol         | TPD52L3                                                                                        |
| Species             | Human                                                                                          |
| Immunogen           | Full length recombinant protein of human TPD52L3/D55 (NP_001001875) produced in HEK293T cells. |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.          |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunohistochemistry                                   |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
