Doublecortin Antibody [DyLight 594]

| Product Information         |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                |
| Storage                     | Store at 4C in the dark.                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                         |
| Isotype                     | IgG                                                                                                                        |
| Conjugate                   | DyLight 594                                                                                                                |
| Purity                      | Antigen Affinity-purified                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                         |
| Product Description         |                                                                                                                            |
| Host                        | Sheep                                                                                                                      |
| Gene ID                     | 1641                                                                                                                       |
| Species                     | Human, Mouse                                                                                                               |
| Specificity/Sensitivity     | Detects human Doublecortin/DCX in direct ELISAs and Western blots. Detects mouse Doublecortin/DCX in immunohistochemistry. |
| Immunogen                   | <i>E.coli</i> -derived recombinant human Doublecortin/DCX<br>Met116-Thr293<br>Accession # O43602                           |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                          |
| Product Application Details |                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry                                                                                         |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                     |
