| Clonality                   | Polyclonal                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                               |
| Isotype                     | IgG                                                                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                                                                        |
| Buffer                      | PBS                                                                                                                                              |
| Product Description         |                                                                                                                                                  |
| Host                        | Goat                                                                                                                                             |
| Gene ID                     | 1890                                                                                                                                             |
| Gene Symbol                 | TYMP                                                                                                                                             |
| Species                     | Human                                                                                                                                            |
| Specificity/Sensitivity     | Detects human PD-ECGF/Thymidine Phosphorylase in direct ELISAs and Western blots.                                                                |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human PD-ECGF/Thymidine Phosphorylase Ala11-Gln482<br>Accession # P19971 |
| Product Application Details |                                                                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry, Neutralization                                                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Neutralization                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                           |
