| <b>Gene ID</b>                     | 3484                                                                                                                                                                                                                                        |
| <b>Gene Symbol</b>                 | IGFBP1                                                                                                                                                                                                                                      |
| <b>Species</b>                     | Mouse                                                                                                                                                                                                                                       |
| <b>Specificity/Sensitivity</b>     | Detects mouse IGFBP-1 in direct ELISAs and Western blots. In direct ELISAs, less than 10% cross-reactivity with recombinant human IGFBP-1 and less than 1% cross-reactivity with recombinant mouse (rm) IGFBP-4, and rmlGFBP-5 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse IGFBP-1<br>Ala26-Asn272<br>Accession # P47876                                                                                                                                         |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                           |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                             |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                                                                                                                                                          |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                                                                                                                                                          |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                      |
