| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                                     |
| Conjugate                   | DyLight 550                                                                                                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                         |
| Host                        | Goat                                                                                                                                                                                                    |
| Gene ID                     | 10272                                                                                                                                                                                                   |
| Gene Symbol                 | FSTL3                                                                                                                                                                                                   |
| Species                     | Mouse                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects mouse Follistatin-related Gene Protein/FLRG in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 50% cross-reactivity with recombinant human FLRG is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Follistatin-related Gene Protein/FLRG<br>Val24-Val256<br>Accession # Q9EQC7                                                                       |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry, Neutralization                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Neutralization                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                  |
