| Conjugate                   | DyLight 550                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                     |
| Product Description         |                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                   |
| Gene ID                     | 11197                                                                                                                                                  |
| Gene Symbol                 | WIF1                                                                                                                                                   |
| Species                     | Mouse                                                                                                                                                  |
| Specificity/Sensitivity     | Detects mouse WIF-1 in direct ELISAs and Western blots. In direct ELISAs, approximately 30% cross-reactivity with recombinant human WIF-1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse WIF-1<br>Gly29-Trp379<br>Accession # Q9WUA1                                                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                      |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
