| Purity                      | Antigen Affinity-purified                                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                                   |
| Gene ID                     | 6422                                                                                                                                                                   |
| Gene Symbol                 | SFRP1                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human sFRP-1 in direct ELISAs and Western blots. In direct ELISAs, less than 2% cross-reactivity with recombinant human (rh) sFRP-2, and rhsFRP-5 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human sFRP-1 (R&D Systems, Catalog # 1384-SF)<br>Ser32-Lys314<br>Accession # AAB70793                                  |
| Product Application Details |                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                 |
