| Conjugate                   | PE                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                       |
| Product Description         |                                                                                                                                                           |
| Host                        | Sheep                                                                                                                                                     |
| Gene ID                     | 55997                                                                                                                                                     |
| Gene Symbol                 | CFC1                                                                                                                                                      |
| Species                     | Human                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human Cryptic in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant mouse Cryptic is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Cryptic Tyr26-Gly169<br>Accession # NP_115934                                                       |
| Product Application Details |                                                                                                                                                           |
| Applications                | Western Blot, CyTOF-ready, Intracellular Staining by Flow Cytometry                                                                                       |
| Recommended Dilutions       | Western Blot, Intracellular Staining by Flow Cytometry, CyTOF-ready                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                    |
