DR6/TNFRSF21 Antibody [PE]

| Product Information         |                                                                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                                      |
| Clonality                   | Polyclonal                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                           |
| Conjugate                   | PE                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                     |
| Buffer                      | PBS                                                                                                                                                           |
| Product Description         |                                                                                                                                                               |
| Host                        | Goat                                                                                                                                                          |
| Gene ID                     | 27242                                                                                                                                                         |
| Gene Symbol                 | TNFRSF21                                                                                                                                                      |
| Species                     | Human                                                                                                                                                         |
| Specificity/Sensitivity     | Detects human DR6 in ELISAs and Western blots. In sandwich ELISAs, less than 0.2% cross-reactivity with recombinant human (rh) OPG and rhTNF RII is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human DR6<br>Gln42-Leu350<br>Accession # O75509                                                               |
| Product Application Details |                                                                                                                                                               |
| Applications                | Western Blot, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair)                                   |
| Recommended Dilutions       | Western Blot, ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair)                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                        |
