Proliferin-related Protein/Plfr Antibody [Janelia Fluor® 525]

| Product Information         |                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                 |
| Storage                     | Store at 4C in the dark.                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                          |
| Isotype                     | IgG                                                                                                                         |
| Conjugate                   | Janelia Fluor 525                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                          |
| Product Description         |                                                                                                                             |
| Host                        | Goat                                                                                                                        |
| Gene ID                     | 5617                                                                                                                        |
| Gene Symbol                 | Prl7d1                                                                                                                      |
| Species                     | Mouse                                                                                                                       |
| Specificity/Sensitivity     | Detects mouse Proliferin-related Protein/Plfr in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Proliferin-related Protein/Plfr<br>Glu26-Phe244<br>Accession # P04769 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                       |
| Product Application Details |                                                                                                                             |
| Applications                | Western Blot                                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                      |
