| Host                        | Goat                                                                                                                                                                                                                                                                 |
| Gene ID                     | 7097                                                                                                                                                                                                                                                                 |
| Gene Symbol                 | TLR2                                                                                                                                                                                                                                                                 |
| Species                     | Mouse                                                                                                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects mouse TLR2 in direct ELISAs and Western blots. In these formats, approximately 10% cross-reactivity with recombinant human (rh) TLR2 is observed and less than 2% cross-reactivity with recombinant mouse (rm) TLR1, rhTLR3, rmTLR4, and rmTLR6 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse TLR2<br>Gln25-Leu590<br>Accession # Q9QUN7                                                                                                                                                                     |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                                                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                               |
