| <b>Gene Symbol</b>                 | SELL                                                                                                                                                                                                                                                         |
| <b>Species</b>                     | Rat                                                                                                                                                                                                                                                          |
| <b>Specificity/Sensitivity</b>     | Detects rat L $\square$ Selectin/CD62L in direct ELISAs and Western blots. In Western blots, approximately 20% cross-reactivity with recombinant mouse L $\square$ Selectin and 5% cross-reactivity with recombinant human L $\square$ Selectin is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant rat L $\square$ Selectin/CD62L Trp39-Asn332<br>Accession # P30836                                                                                                                                            |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                            |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                              |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                                                                                                                                                                           |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                                                                                                                                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                       |
