| Clonality                   | Polyclonal                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                                         |
| Conjugate                   | DyLight 550                                                                                                                                                                                 |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                             |
| Host                        | Goat                                                                                                                                                                                        |
| Gene ID                     | 11167                                                                                                                                                                                       |
| Gene Symbol                 | FSTL1                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human Follistatin-like 1/FSTL1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 15% cross-reactivity with recombinant mouse FSTL1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Follistatin-like 1/FSTL1<br>Met1-Ile308<br>Accession # Q12841                                                                         |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                           |
| Product Application Details |                                                                                                                                                                                             |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                      |
