CRTAM Antibody [DyLight 755]

| Product Information         |                                                                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                        |
| Storage                     | Store at 4C in the dark.                                                                                                                           |
| Clonality                   | Polyclonal                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                |
| Conjugate                   | DyLight 755                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                 |
| Product Description         |                                                                                                                                                    |
| Host                        | Goat                                                                                                                                               |
| Gene ID                     | 56253                                                                                                                                              |
| Gene Symbol                 | CRTAM                                                                                                                                              |
| Species                     | Human                                                                                                                                              |
| Specificity/Sensitivity     | Detects human CRTAM in ELISAs and Western blots. In sandwich immunoassays, less than 2% cross-reactivity with recombinant mouse CRTAM is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CRTAM Ser18-Ser286<br>Accession # O95727                                                     |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                  |
| Product Application Details |                                                                                                                                                    |
| Applications                | Western Blot, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair)                        |
| Recommended Dilutions       | Western Blot, ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair)                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                             |
