| Storage                     | Store at 4C in the dark.                                                                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                                                         |
| Conjugate                   | PE                                                                                                                                                                                                          |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                             |
| Host                        | Goat                                                                                                                                                                                                        |
| Gene ID                     | 3002                                                                                                                                                                                                        |
| Gene Symbol                 | GZMB                                                                                                                                                                                                        |
| Species                     | Mouse                                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects mouse Granzyme B in ELISAs and Western blots.                                                                                                                                                       |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Granzyme B Lys17-Ser247<br>Accession # P04187                                                                                                         |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair), Immunocytochemistry, Neutralization |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, ELISA Standard (Matched Pair), Neutralization, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), Immunocytochemistry |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                      |
