CRACC/SLAME7 Antibody [Dyl ight 405]

| CRACC/SLAMF7 Antibody [DyLight 405] |  |
|-------------------------------------|--|
| Product Information                 |  |
| Unit Size                           | 0.1 ml   |
| Concentration                       | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                             | Store at 4C in the dark.   |
| Clonality                           | Polyclonal   |
| Preservative                        | 0.05% Sodium Azide   |
| Isotype                             | IgG  |
| Conjugate                           | DyLight 405  |
| Purity                              | Antigen Affinity-purified  |
| Buffer                              | 50mM Sodium Borate   |
| Product Description                 |  |
| Host                                | Goat   |
| Gene ID                             | 57823  |
| Gene Symbol                         | SLAMF7   |
| Species                             | Human  |
| Specificity/Sensitivity             | Detects human CRACC/SLAMF7 in direct ELISAs and Western blots.   |
| Immunogen                           | Mouse myeloma cell line NS0-derived recombinant human CRACC/SLAMF7<br>Lys27-Ser225<br>Accession # Q9NQ25 |
| Notes                               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                        |
| Product Application Details         |  |
| Applications                        | Western Blot   |
| Recommended Dilutions               | Western Blot   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | Western Blot   |
| Recommended Dilutions              | Western Blot   |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
