**AF1990H**

Integrin alpha E/CD103 Antibody [HRP]

| Product Information         |                                                                                                                     |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                         |
| Storage                     | Store at 4C in the dark.                                                                                            |
| Clonality                   | Polyclonal                                                                                                          |
| Preservative                | No Preservative                                                                                                     |
| Isotype                     | IgG                                                                                                                 |
| Conjugate                   | HRP                                                                                                                 |
| Purity                      | Antigen Affinity-purified                                                                                           |
| Buffer                      | PBS                                                                                                                 |
| Product Description         |                                                                                                                     |
| Host                        | Goat                                                                                                                |
| Gene ID                     | 3682                                                                                                                |
| Gene Symbol                 | ITGAE                                                                                                               |
| Species                     | Mouse                                                                                                               |
| Specificity/Sensitivity     | Detects mouse Integrin $\alpha$ E/CD103 in direct ELISAs and Western blots.                                         |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Integrin $\alpha$ E/CD103 Phe20-Arg1113<br>Accession # Q60677 |
| Product Application Details |                                                                                                                     |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                                           |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                              |
