**AF2295A****4-1BB Ligand/TNFSF9 Antibody [Allophycocyanin]**

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Polyclonal                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG                                                                                                 |
| Conjugate                   | Allophycocyanin                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                           |
| Buffer                      | PBS                                                                                                 |
| Product Description         |                                                                                                     |
| Host                        | Goat                                                                                                |
| Gene ID                     | 8744                                                                                                |
| Gene Symbol                 | TNFSF9                                                                                              |
| Species                     | Human                                                                                               |
| Specificity/Sensitivity     | Detects human 4-1BB Ligand/TNFSF9 in direct ELISAs and Western blots.                               |
| Immunogen                   | <i>E. coli</i> -derived recombinant human 4-1BB Ligand/TNFSF9<br>Arg71-Glu254<br>Accession # P41273 |
| Product Application Details |                                                                                                     |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                     |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
