Aminopeptidase PILS/ARTS1 Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                |
| Storage                     | Store at 4C in the dark.                                                                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                        |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                          |
| Purity                      | Antigen Affinity-purified                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                         |
| Product Description         |                                                                                                                                                                            |
| Host                        | Goat                                                                                                                                                                       |
| Gene ID                     | 51752                                                                                                                                                                      |
| Gene Symbol                 | ERAP1                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human Aminopeptidase PILS/ARTS1 in direct ELISAs and Western blots. In direct ELISAs, approximately 45% cross-reactivity with recombinant mouse ARTS1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Aminopeptidase PILS/ARTS1<br>Ala37-Met941<br>Accession # EAW96077                                                    |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                      |
| Product Application Details |                                                                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunocytochemistry                                                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunocytochemistry                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                     |
