| Unit Size                   | 0.1 ml                                                                                                                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                        |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                           |
| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                                    |
| Host                        | Goat                                                                                                                                                                                               |
| Gene ID                     | 4684                                                                                                                                                                                               |
| Gene Symbol                 | NCAM1                                                                                                                                                                                              |
| Species                     | Human, Mouse                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human NCAM-1/CD56 in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 1% cross-reactivity with recombinant human (rh) ALCAM, rhBCAM and rhEpCAM is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human NCAM1/CD56 Leu20-Pro603<br>Accession # NP_001070150                                                                                          |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                              |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready, Immunocytochemistry, Knockout Validated                                                                                                                 |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry, CyTOF-ready, Knockout Validated                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                             |
