| Clonality                   | Polyclonal                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                                          |
| Conjugate                   | PE                                                                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                              |
| Host                        | Goat                                                                                                                                                                                         |
| Gene ID                     | 116448                                                                                                                                                                                       |
| Gene Symbol                 | OLIG1                                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects human Olig1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody shows less than 5% cross-reactivity with recombinant human (rh) Olig2 and rhOlig3. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Olig1<br>Met12-Lys283<br>Accession # BAD93028                                                                                                      |
| Product Application Details |                                                                                                                                                                                              |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                       |
