FCRL4/FcRH4/IRTA1 Antibody [DyLight 405]

| Product Information         |                                                                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                               |
| Storage                     | Store at 4C in the dark.                                                                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                       |
| Conjugate                   | DyLight 405                                                                                                                                                               |
| Purity                      | Antigen Affinity-purified                                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                        |
| Product Description         |                                                                                                                                                                           |
| Host                        | Goat                                                                                                                                                                      |
| Gene ID                     | 83417                                                                                                                                                                     |
| Gene Symbol                 | FCRL4                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human FCRL4/FcRH4 in direct ELISAs. In direct ELISAs, less than 2% cross-reactivity with recombinant human (rh) IRTA2, rhIRTA3, rhIRTA4, and rhIRTA5 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human FCRL4/FcRH4 Gln16-Asp385<br>Accession # Q96PJ5                                                                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                         |
| Product Application Details |                                                                                                                                                                           |
| Applications                | Immunohistochemistry                                                                                                                                                      |
| Recommended Dilutions       | Immunohistochemistry                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                    |
