| Purity                      | Antigen Affinity-purified                                                                                                                        |
| Buffer                      | PBS                                                                                                                                              |
| Product Description         |                                                                                                                                                  |
| Host                        | Goat                                                                                                                                             |
| Gene ID                     | 410                                                                                                                                              |
| Gene Symbol                 | ARSA                                                                                                                                             |
| Species                     | Human                                                                                                                                            |
| Specificity/Sensitivity     | Detects human ARSA in direct ELISAs and Western blots. In direct ELISAs, less than 30% cross-reactivity with recombinant mouse ARSA is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human ARSA<br>Arg19-Ala507<br>Accession # AAH14210                                               |
| Product Application Details |                                                                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                          |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                           |
