| <b>Gene ID</b>                     | 8074                                                                                                                                                                                                                                                  |
| <b>Gene Symbol</b>                 | Fgf23                                                                                                                                                                                                                                                 |
| <b>Species</b>                     | Mouse                                                                                                                                                                                                                                                 |
| <b>Specificity/Sensitivity</b>     | Detects mouse FGF-23 in direct ELISAs and Western blots. In direct ELISAs, approximately 30% cross-reactivity with recombinant human FGF-23 is observed and less than 1% cross-reactivity with recombinant mouse (rm) FGF-21 and rmFGF-1 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse FGF-23<br>Tyr25-Val251<br>Accession # Q9EPC2                                                                                                                                                    |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                     |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                       |
| <b>Applications</b>                | Western Blot                                                                                                                                                                                                                                          |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                                                                                                                          |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                |
