| <b>Clonality</b>                   | Polyclonal                                                                                                                                         |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                 |
| <b>Isotype</b>                     | IgG                                                                                                                                                |
| <b>Conjugate</b>                   | PerCP                                                                                                                                              |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                          |
| <b>Buffer</b>                      | PBS                                                                                                                                                |
| <b>Product Description</b>         |                                                                                                                                                    |
| <b>Host</b>                        | Goat                                                                                                                                               |
| <b>Gene ID</b>                     | 718                                                                                                                                                |
| <b>Species</b>                     | Mouse, Rat                                                                                                                                         |
| <b>Specificity/Sensitivity</b>     | Detects mouse Complement Component C3d in direct ELISAs and Western blots. Detects mouse and rat Complement Component C3d in immunohistochemistry. |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant mouse Complement Component C3d His1002-Arg1303 (Cys1010Ser)<br>Accession # P01027                              |
| <b>Product Application Details</b> |                                                                                                                                                    |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                                                                 |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                                                                 |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                             |
