SHBG Antibody [HRP]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Polyclonal                                                                                       |
| Preservative                | No Preservative                                                                                  |
| Isotype                     | IgG                                                                                              |
| Conjugate                   | HRP                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                        |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Goat                                                                                             |
| Gene ID                     | 6462                                                                                             |
| Gene Symbol                 | SHBG                                                                                             |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human SHBG in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human SHBG<br>Leu30-His402<br>Accession # P04278 |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
