| Isotype                     | IgG                                                                                                                                                 |
| Conjugate                   | HRP                                                                                                                                                 |
| Purity                      | Antigen Affinity-purified                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                 |
| Product Description         |                                                                                                                                                     |
| Host                        | Goat                                                                                                                                                |
| Gene ID                     | 10544                                                                                                                                               |
| Gene Symbol                 | PROCR                                                                                                                                               |
| Species                     | Mouse                                                                                                                                               |
| Specificity/Sensitivity     | Detects mouse EPCR in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human EPCR is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse EPCR<br>Ala17-Ser214<br>Accession # Q64695                                                    |
| Product Application Details |                                                                                                                                                     |
| Applications                | Western Blot, Flow Cytometry, Immunoprecipitation, CyTOF-ready, Immunocytochemistry                                                                 |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunoprecipitation, Immunocytochemistry, CyTOF-ready                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                              |
