**AF2886Z**

HIF-2 alpha/EPAS1 Antibody [DyLight 755]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Polyclonal                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG                                                                                                    |
| Conjugate                   | DyLight 755                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                     |
| Product Description         |                                                                                                        |
| Host                        | Goat                                                                                                   |
| Gene ID                     | 2034                                                                                                   |
| Gene Symbol                 | EPAS1                                                                                                  |
| Species                     | Human, Rat                                                                                             |
| Specificity/Sensitivity     | Detects human and rat HIF-2 $\alpha$ /EPAS1.                                                           |
| Immunogen                   | <i>E. coli</i> -derived recombinant human HIF-2 $\alpha$ /EPAS1<br>Ser543-Thr870<br>Accession # Q99814 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                      |
| Product Application Details |                                                                                                        |
| Applications                | Western Blot, Chromatin Immunoprecipitation (ChIP)                                                     |
| Recommended Dilutions       | Western Blot, Chromatin Immunoprecipitation (ChIP)                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
