| Purity                      | Antigen Affinity-purified                                                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                 |
| Host                        | Goat                                                                                                                                                                                            |
| Gene ID                     | 2657                                                                                                                                                                                            |
| Gene Symbol                 | GDF1                                                                                                                                                                                            |
| Species                     | Mouse                                                                                                                                                                                           |
| Specificity/Sensitivity     | Detects mouse GDF-1 Propeptide in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with mature recombinant mouse (rm) GDF-1 and rmGDF-3 Propeptide is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse GDF-1 Propeptide Pro25-Leu235<br>Accession # P20863                                                                                       |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                               |
| Product Application Details |                                                                                                                                                                                                 |
| Applications                | Western Blot                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                          |
