| Buffer                      | PBS                                                                                                                                                    |
| Product Description         |                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                   |
| Gene ID                     | 9421                                                                                                                                                   |
| Gene Symbol                 | HAND1                                                                                                                                                  |
| Species                     | Human                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human HAND1 in direct ELISAs and Western blots. In direct ELISAs, approximately 10% cross-reactivity with recombinant human HAND2 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human HAND1<br>Met1-Gln215<br>Accession # O96004                                                                   |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
