**AF3178H****Coagulation Factor III/Tissue Factor Antibody [HRP]**

| <b>Product Information</b>         |                                                                                                                                  |
|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                           |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                      |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                         |
| <b>Clonality</b>                   | Polyclonal                                                                                                                       |
| <b>Preservative</b>                | No Preservative                                                                                                                  |
| <b>Isotype</b>                     | IgG                                                                                                                              |
| <b>Conjugate</b>                   | HRP                                                                                                                              |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                        |
| <b>Buffer</b>                      | PBS                                                                                                                              |
| <b>Product Description</b>         |                                                                                                                                  |
| <b>Host</b>                        | Goat                                                                                                                             |
| <b>Gene ID</b>                     | 2152                                                                                                                             |
| <b>Gene Symbol</b>                 | F3                                                                                                                               |
| <b>Species</b>                     | Mouse                                                                                                                            |
| <b>Specificity/Sensitivity</b>     | Detects mouse Coagulation Factor III in direct ELISAs and Western blots.                                                         |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse Coagulation Factor III/Tissue Factor<br>Ala29-Glu251<br>Accession # P20352 |
| <b>Product Application Details</b> |                                                                                                                                  |
| <b>Applications</b>                | Western Blot, Flow Cytometry, Immunoprecipitation, CyTOF-ready                                                                   |
| <b>Recommended Dilutions</b>       | Western Blot, Flow Cytometry, Immunoprecipitation, CyTOF-ready                                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                           |
