| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                             |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                     |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                    |
| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                        |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                                                              |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                    |
| <b>Product Description</b>         |                                                                                                                                                                                        |
| <b>Host</b>                        | Goat                                                                                                                                                                                   |
| <b>Gene ID</b>                     | 9588                                                                                                                                                                                   |
| <b>Gene Symbol</b>                 | PRDX6                                                                                                                                                                                  |
| <b>Species</b>                     | Human, Mouse, Rat                                                                                                                                                                      |
| <b>Specificity/Sensitivity</b>     | Detects endogenous human, mouse, and rat Peroxiredoxin 6 on in Western blots. In Western blots, this antibody does not cross-react with recombinant human Peroxiredoxin 1, 2, 3, or 5. |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant human Peroxiredoxin 6<br>Met1-Pro224<br>Accession # P30041                                                                                         |
| <b>Product Application Details</b> |                                                                                                                                                                                        |
| <b>Applications</b>                | Western Blot, Knockout Validated                                                                                                                                                       |
| <b>Recommended Dilutions</b>       | Western Blot, Knockout Validated                                                                                                                                                       |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                 |
