| Gene Symbol                 | CNDP2                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human Cytosol Nonspecific Dipeptidase (CNDP2)/CPGL in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 1% cross-reactivity with recombinant human CPGL-2 is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human Cytosol Nonspecific Dipeptidase (CNDP2)/CPGL<br>Ala2-Asp475<br>Accession # Q96KP4                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                           |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                      |
