| Purity                      | Antigen Affinity-purified                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                       |
| Product Description         |                                                                                                                                                          |
| Host                        | Goat                                                                                                                                                     |
| Gene ID                     | 5906                                                                                                                                                     |
| Gene Symbol                 | RAP1A                                                                                                                                                    |
| Species                     | Human, Mouse, Rat                                                                                                                                        |
| Specificity/Sensitivity     | Detects human, mouse and rat Rap1A/B. The antibody is highly specific for Rap1A/B and detects recombinant human Rap2A only upon prolonged film exposure. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Rap1A<br>Met1-Leu184<br>Accession # P62834                                                                     |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                        |
| Product Application Details |                                                                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                   |
