| Gene ID                     | 3084                                                                                                                                                                                                                                                         |
| Gene Symbol                 | NRG1                                                                                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects human NRG1-β1/HRG1-β1 in direct ELISAs and Western blots. In direct ELISAs, approximately 15% cross-reactivity with the EGF domain of recombinant human (rh) NRG1-β1/HRG1-β1 is observed and less than 1% cross-reactivity with rhNRG-2 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human NRG1-β1/HRG1-β1<br>Ser2-Lys246<br>Accession # AAA58639                                                                                                                                                             |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                                                                              |
| Applications                | Western Blot                                                                                                                                                                                                                                                 |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                       |
