**AF3795A****Methionine Aminopeptidase 2/METAP2 Antibody [Allophycocyanin]**

| Product Information         |                                                                                                                                            |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                |
| Storage                     | Store at 4C in the dark.                                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                         |
| Isotype                     | IgG                                                                                                                                        |
| Conjugate                   | Allophycocyanin                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                  |
| Buffer                      | PBS                                                                                                                                        |
| Product Description         |                                                                                                                                            |
| Host                        | Sheep                                                                                                                                      |
| Gene ID                     | 10988                                                                                                                                      |
| Gene Symbol                 | METAP2                                                                                                                                     |
| Species                     | Human                                                                                                                                      |
| Specificity/Sensitivity     | Detects human Methionine Aminopeptidase 2/METAP2 in direct ELISAs and Western blots.                                                       |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human Aminopeptidase 2/METAP2<br>Ala2-Tyr478<br>Accession # P50579 |
| Product Application Details |                                                                                                                                            |
| Applications                | Western Blot, Immunoprecipitation                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                     |
