| Clonality                   | Polyclonal                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                        |
| Conjugate                   | PerCP                                                                                                                                                                                      |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                            |
| Host                        | Goat                                                                                                                                                                                       |
| Gene ID                     | 2911                                                                                                                                                                                       |
| Species                     | Rat                                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects rat CCL26-like/Eotaxin□3-like in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 1% cross-reactivity with recombinant mouse CCL26-like is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant rat CCL26-like/Eotaxin□3-like<br>Thr24-Trp94<br>Accession # NP_001102958                                                                               |
| Product Application Details |                                                                                                                                                                                            |
| Applications                | Western Blot                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                     |
