| Clonality                   | Polyclonal                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                    |
| Conjugate                   | DyLight 650                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                     |
| Product Description         |                                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                                   |
| Gene ID                     | 57228                                                                                                                                                                  |
| Gene Symbol                 | SMAGP                                                                                                                                                                  |
| Species                     | Rat                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects rat SMAGP in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 40% cross-reactivity with recombinant human SMAGP is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant rat SMAGP<br>Met1-Thr34, Phe56-Ile97<br>Accession # Q7TPF1                                                                         |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                      |
| Product Application Details |                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                 |
