| Clonality                   | Polyclonal                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                             |
| Isotype                     | IgG                                                                                                                            |
| Conjugate                   | DyLight 594                                                                                                                    |
| Purity                      | Antigen Affinity-purified                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                             |
| Product Description         |                                                                                                                                |
| Host                        | Rabbit                                                                                                                         |
| Gene ID                     | 5515                                                                                                                           |
| Gene Symbol                 | PPP2CA                                                                                                                         |
| Species                     | Human, Mouse, Rat                                                                                                              |
| Specificity/Sensitivity     | Detects human, mouse, and rat PP2A when phosphorylated at Y307. The antigen is identical to the PP4 Y305 phosphorylation site. |
| Immunogen                   | Phosphopeptide containing human PP2A Y307 site                                                                                 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                              |
| Product Application Details |                                                                                                                                |
| Applications                | Western Blot                                                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                         |
