| Storage                     | Store at 4C in the dark.                                                                                                                                                     |
| Clonality                   | Polyclonal                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                          |
| Conjugate                   | DyLight 488                                                                                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                           |
| Product Description         |                                                                                                                                                                              |
| Host                        | Sheep                                                                                                                                                                        |
| Gene ID                     | 6665                                                                                                                                                                         |
| Gene Symbol                 | SOX15                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects human SOX15 in direct ELISAs and Western blots. In direct ELISAs, less than 10% cross-reactivity with recombinant human (rh) SOX3, rhSOX14, and rhSOX21 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human SOX15<br>Met1-Leu233<br>Accession # O60248                                                                                         |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                            |
| Product Application Details |                                                                                                                                                                              |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                            |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                       |
