| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                                          |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                                        |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                |
| <b>Isotype</b>                     | IgG                                                                                                                                                               |
| <b>Conjugate</b>                   | Biotin                                                                                                                                                            |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                                         |
| <b>Buffer</b>                      | PBS                                                                                                                                                               |
| <b>Product Description</b>         |                                                                                                                                                                   |
| <b>Host</b>                        | Goat                                                                                                                                                              |
| <b>Gene ID</b>                     | 7032                                                                                                                                                              |
| <b>Gene Symbol</b>                 | TFF2                                                                                                                                                              |
| <b>Species</b>                     | Human                                                                                                                                                             |
| <b>Specificity/Sensitivity</b>     | Detects human TFF2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 1% cross-reactivity with recombinant human TFF3 is observed. |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant human TFF2<br>Glu24-Tyr129<br>Accession # Q03403                                                                              |
| <b>Product Application Details</b> |                                                                                                                                                                   |
| <b>Applications</b>                | Western Blot                                                                                                                                                      |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                            |
