| <b>Host</b>                        | Goat                                                                                                                                                                                                                                                         |
| <b>Gene ID</b>                     | 6284                                                                                                                                                                                                                                                         |
| <b>Gene Symbol</b>                 | S100A13                                                                                                                                                                                                                                                      |
| <b>Species</b>                     | Mouse                                                                                                                                                                                                                                                        |
| <b>Specificity/Sensitivity</b>     | Detects mouse S100A13 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 40% cross-reactivity with recombinant human (rh) S100A13 is observed, and less than 1% cross-reactivity with rhS100A1 and rhS100A11 is observed. |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant mouse S100A13<br>Ala2-Lys98<br>Accession # P97352                                                                                                                                                                        |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                            |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                              |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                                                                                                                                                                           |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                                                                                                                                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                       |
